

**ORGANIC
SEPTEMBER**

Bug The New PM

Sign our petition asking the new Prime Minister to commit to protecting nature's precious keyworkers.

Visit: change.org/NatureProtest

You too have the power to help protect nature. Organic works with nature, to support healthier soils, more wildlife and our world. So this #OrganicSeptember, let's listen to nature, and choose organic.

For more information visit GoOrganicUK.com or follow us on Instagram @organicuk

Illustration by children's illustrator and Suffragette descendant Kate Pankhurst.

Choose organic.

- ✓ Better for the soil
- ✓ Better for wildlife & biodiversity
- ✓ Better for farm animals
- ✓ The best way to reduce your exposure to pesticides
- ✓ Supports a system designed to benefit nature
